et
cetera

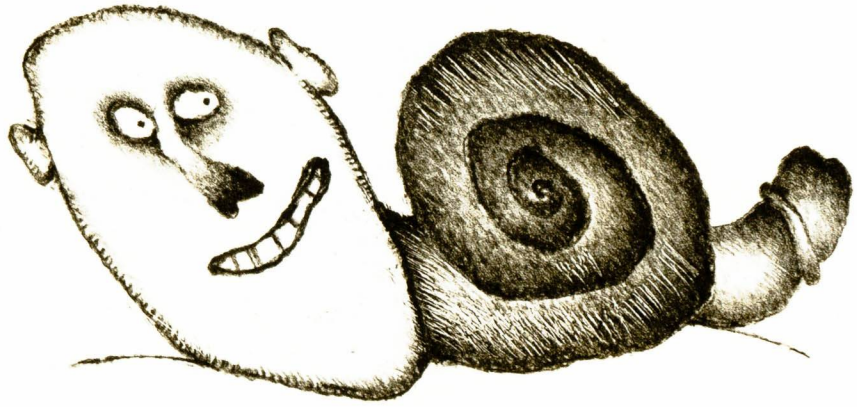

À force d'inhaler de la mine de plomb je vis d'étranges vagabondages. Ces derniers temps, alors que mes semblables s'adonnent au bruit, je descends du plafond (où j'ai mes habitudes) pour traînasser sur la feuille en sécrétant des baves de crayonnage.

Suis-je encore analogue, ou déjà mon prochain ?

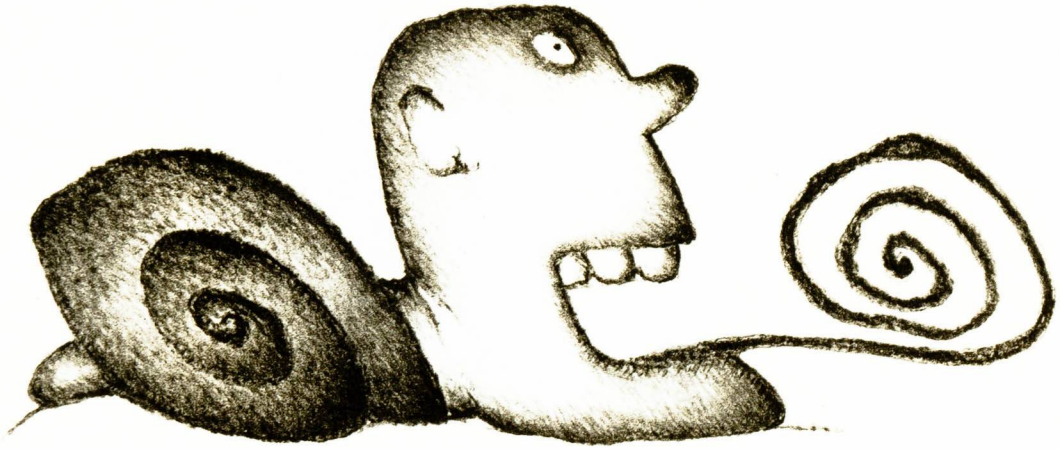

Ce sont d'innocentes interrogations, somme toute assez confortables.

BRUSSEL BRUXELLES

Je remercie Anne-Marie
et Raymond Vervinck
ainsi que Guy Jungblut
et Damien Brucker,
qui ont éclairé ces
petits-gris de leur
amicale lumière.

Il a été tiré 785 exemplaires de cet ouvrage, par procédé lithographique, sur les presses de Raymond Vervinckt et répartis comme suit.

700 exemplaires sur Biosel 115 g., numérotés de 1 à 700;

80 exemplaires sur Pordenone ivoire 120 g., numérotés de I à LXXX, accompagnés d'un dessin original, chacun de ces exemplaires étant relié artisanalement en cartonnage;

5 exemplaires hors commerce marqués aux initiales A.B., D.B., R.B., P.B., J.V., accompagnés d'un dessin original, chacun de ces exemplaires étant relié artisanalement en cartonnage.

Ce tirage constitue l'édition originale.
